

BERWICK COTTAGE VISITOR COMMENTS 2009

The Cottage was very clean and welcoming. The facilities are first class – everything we need for Derek. It has been a really good rest for us and the weather has been a bonus.

The T. Family - Kent

We have had a lovely holiday, it is hard to find a holiday home for our residents with the facilities they need...the cottage was spotlessly clean and we felt it was a home from home. It is a great base to visit the Norfolk Coast and other attractions – we'll be back!

Sense East - Lincs

We have had a great time, relaxing in this superbly equipped cottage. The locals have been very friendly and accommodating and we recommend the 'Nags Head' for food and service. Thank you! We hope to return and maybe even travel further north to Scotland in the near future.

The G. Family - Essex

A lovely quiet time – with sun nearly every day! The Whisky Distillery is a great find, the highlight was visiting UEA Sainsbury Visual Arts Centre The village is as before all with a rural charm – and some serious cricket.

The M. Family – Lincs

Our third visit but it won't be our last – already planning next year's holiday. Lovely holiday as always – we love the cottage. The people in the village so friendly and helpful.

The D. Family - Herts

The accommodation is absolutely fantastic for those less mobile and with disabilities. All of the locals have been very helpful and friendly which undoubtedly adds to the atmosphere of the holiday. Many thanks for a lovely stay!!

Mrs C. and Carers - Essex

Our third visit here – the facilities are very good for all disabilities. all lovely in every way.

Fantastic holiday home for all. Hopefully we will be back again. Thank you!

The B. family, Nottingham

Beautiful holiday home, clean and plenty of space. All the facilities we require – in fact better designed than our own bungalow!

The P. Trust, Suffolk

Another lovely visit, and guess what? Mother now 97 was able to use the bath twice (You provide Mother with her annual bath!!) We hope to return again next year.

The D. Family and Friends

The cottage facilities are very good apart from slow hoist. Had a lovely meal at the Nag's Head pub, the staff were very friendly and helpful.

The Johnson Family - Lincs
