

BERWICK COTTAGE VISITOR COMMENTS 2010

We have had a lovely week. It was great to have all the facilities with so much space and the cottage is set in a lovely village. Looking forward to coming again.

The S Family, Powys

We received a friendly welcome from Mike to this warm and comfortable cottage. Enjoyed ourselves, as always, and will be back later in the year.

The T Family, Kent

We have enjoyed our stay here again. It's great to have plenty of space – very quiet too. Equipment is excellent. We have enjoyed visits to Ickworth, Langham Glass, Norfolk Broads and Fellbrigg Hall.

The C Family, Surrey

We had a lovely time here. The equipment and layout of the cottage as well as the location is fab. Melsop Farm Park has been great – lots of animals to stroke, feed and watch. Lots of attractions in easy-reaching distance.

Nice time had by all. Equipment of a very high standard. Third holiday for our client group here. Back for a fourth in June.

The staff at 'Sense', Lincolnshire

First impressions were 'Wow weel!' Very spacious. Took away all the stress. Home from home with all the right equipment. We will be back. Lovely part of the world. Many thanks.

The S Family – South Wales

Excellent facilities and location. Sorry that the Nag's Head has closed. We had a wonderful week seeing Norfolk. We very much hope to be back to see the places we didn't manage this time. We loved it here.

The R Family, Gloucestershire

Excellent facilities. Very comfortable and pleasant please to stay. Great equipment for John, lovely holiday. Even the weather turned out lovely.

The S Family, Essex

Our first impression was how spacious and well-equipped and after a warm welcome we soon settled in. The first three days were very hot and we enjoyed the shade in the garden. One day we hired an electric day boat (wheelchair accessible) for 7 hours – a long time but enjoyable. Don't forget the picnic is you try this! Not enough time to do all we wanted – hope to be back next year.

The K Family, Yorkshire

This is the first time we have had a self-catering holiday since I became disabled and confined to a wheelchair. This cottage is certainly better equipped than any of the hotels and guest houses we have used over the last few years. We were very appreciative of the separate accommodation for a carer, as it enabled our daughter to accompany us and still have some private space.

The P Family, Wirral

Berwick Cottage is a beautiful, spacious, well-equipped place to stay. Had a very enjoyable stay. People in the village were very welcoming and friendly.

The staff at Outlook Care, Essex

Very nice accommodation with warm and friendly welcome from Mike. Very well-equipped for clients' needs. Nice and clean accommodation situated in a nice area to get out and about. Very private and quiet. Weather was good. Good time had by all. Thank you.

The staff at Town Lane, Manchester

We all loved it here. The cottage is fantastic. Mike was very helpful and showed us all round. Everything was fantastic. We will be back. Thank you.
